With the popularity of

at the end of this year, two pairs of color of the Air Jordan 11 and their release exposure time, believe that everyone on the end of the year Air Jordan 11 highlights looking forward, but recently I saw a pair of the most explosive, let me be struck dumb AJ11.

This pair of

Air Jordan 11 in the family of the most unique tyrant gold color, is also known as the Middle East and other exclusive color, the upper surface, sole, heel No. 23 on the Logo and laces with a domineering gold, even the box made of gold. Such a unique color, even before the sale of Air Jordan 13 DMP and big AIR supreme joint funds are not so dazzling.

but to tell you the truth, the dazzling gold is really eye-catching. It's OK to use it as a decoration, but it's a bit strange if you use it or use it all in a big way. What's more, after the paint has been worn for a while, the vamp folds out and looks very unattractive. In short, the most unique Air Jordan 11, if sold, you will pay for it, start with it?

It appears that Jordan Brand has teamed up with Public School once again and this time they use the Air Jordan 12 as the silhouette. Advertisement

The last design were two Air Jordan 10 versions, and now they take their talents to design this premium Air Jordan 12.

The shoe is fully built with a premium suede upper that is full covered in all-Dark Grey and Black. Other details include the PSNY logo on the tongue and sock liner, finished with Public School wording on the insole.
