is the recent joint domestic boutique, domestic shoes store Foss ASICS to bring a group of beautiful star joint Gel-Lyte III. EDC touted VaporMax's finally finalized joint release date. In the overseas shelves have a "big eyes" Nike Flight Bonafide finally ushered in the first domestic..... a new week specific sale status? Please also list with:

After the

Ronnie Fieg last year and exclusive Ultra Boost stunning debut, Mid shoes was to bring a new color, with "Run Thru Time" in the name of the eye-catching blue woven throughout the shoe body, the toe suede stitching, and inject lime details of contrast, the shoes will start landing in 7.19 designated shops worldwide.

number: BY3056

of Tip: domestic area is not yet available in the first wave, estimate the volume is not large, I'm afraid you want to start is extremely difficult, the current Taobao Yeezy series comparable price speculation.

Remember the

finals G2, color Erwin platinum on foot? Although the final did not help the rider to win the championship, but this color will also bring the market, upper color scheme with a large area of pure white gold with details of the decoration, luxury and glory, although not on foot G2 outsole of blue crystal, using white rubber outsole for more uniform color, very beautiful.

In addition to

platinum color color combination of yin and Yang, this week also brought together a group of reversal, the white with a large area of pure white with black Swoosh and create a strong contrast in the bottom coating, and a white ink dot add highlights, and the black one is the color black to create a complete reversal mysterious atmosphere.

VaporMax second heavy Clot x NikeLab Air joint, VaporMax, using EDC personality general dazzling red to create a shoe body, on both sides of Swoosh in the same tone hidden in the upper, and in detail into the black as a comparison, in the air around the inside there is a theme in the text, point out the design concept.

number: AA2241-006

of Tip: the shoes will be held this weekend at JUICE CLOT stores and the official website for sale, the country's official website is to synchronize shelves in view of EDC's appeal can make nothing of it, and the joint price speculation has exceeded 3K, is almost two times the price, starting with low difficulty.
